

CCC

This Subcommittee on Transportation will come to order!

SSS

I was kidnapped by aliens and fucked silly!

CCC

Security will remove that person.

SSS

Completely silly!

CCC

Thank you. But we like to jettison the obscenities here.

MMM

That nautical term?

CCC

Jettison? I don't know originally.

MMM

No! Fucked silly.

CCC

Secretary will record that chair issues preliminary reprimand to the honorable representative.

MMM

Not just for that! Let's get this hearing underway and you'll...

CCC

Behave yourself! As a representative of the other side of the aisle, you'll find we have more than teasing the chair to accomplish!

MMM

That's another strange word for this body!

CCC

Chair has seen many revolutionaries of the left and right come down the pike.

MMM

Which pike is that?

CCC

Please be quiet Pike! Secretary'll read previous minutes and end this comedy show.
